## EMPLOYMENT OPPORTUNITIES

Background: The Tanzania Coffee Research Institute (TaCRI) is a stakeholder owned and managed Institute to support the rejuvenation of the coffee industry in Tanzania to sustainable prosperity. TaCRI is in the process of implementing its second 5-year Strategic Action Plan working in all coffee growing zones in Tanzania.

TaCRI is now seeking to recruit skilled and well experienced Tanzanians to fill the positions of drivers/farm implement operator/field assistants/vehicle technicians (Two positions) to achieve the indicated results.

**Location:** TaCRI, Maruku (Kagera) and Mwayaya (Kasulu) sub-stations

### **The requirements for the position are:-**

- i) Possession of minimum of Form IV level of education
- ii) Good command of Swahili and English (oral & written)
- iii) Possession of a VETA Certificate or equivalent in motor mechanics and proof of mechanical skills
- iv) Possession of at least a 5 years accident free experience in driving motor vehicles
- v) Possession of an up-to date Class “C” driving license
- vi) Command in operating farm implements.

### **General requirements for the post**

Good interpersonal skills, and teamwork, private sector orientation, excellent communication skills, willingness to travel and work in rural areas and extended times.

### **Remunerations**

Attractive and competitive as per TaCRI’s scheme of service.

### **How to apply**

Send your application letters with detailed CVs and Copies of certificates and testimonials and request at least three technical referees to send confidential letters of reference not later than 12<sup>th</sup> July 2011 addressed to;

Chief Executive Director  
Tanzania Coffee Research Institute  
P. O. Box 3004  
Moshi
